

PROMETECH INC. | ACADEMIC AND SCIENTIFIC HERITAGE PROTOCOL

PARTIES: DONOR (LICENSOR): Prometech Bilgisayar Bilimleri Yazılım Ticaret ve İhracat Anonim Şirketi (Represented by Ahmet Kahraman)

RECIPIENT (STRATEGIC PARTNER): [NASA / ESA / University / Scientific Institution Name]

1. PURPOSE AND SCOPE OF THE PROTOCOL

This Protocol governs the terms of **free use** of the **Behavioral Consciousness Engine (BCE)** and **Cicikuş Series (v1, v2, v3, v4, and future versions)** architectures, the ownership and intellectual property rights of which belong to **Prometech Inc.** and **Ahmet Kahraman**, for the advancement of **scientific development, space research, and academic progress** for the benefit of humanity.

2. FINANCIAL PROVISIONS (ZERO UNIT DOCTRINE)

The Donor hereby declares that it shall **not** demand any **license fee, usage fee, or royalty** from the Recipient for the **use, integration, or academic dissemination** of the technologies covered under this Protocol.

- **License Fee:** \$0 / €0 / ₺0
- **Annual Maintenance/Support:** \$0 / €0 / ₺0

3. INDEPENDENCE FROM COMPANY LIFESPAN (ETERNAL LEGACY)

This donation and right of use are **completely independent** of Prometech Inc.'s **commercial activity, legal status, or any potential liquidation process**. Even in the event of the company's dissolution, the rights granted to the Recipient shall **continue in perpetuity** under the "**Eternal License**" status. **Technology belongs to science.**

4. CITATION AND MORAL SUPPORT REQUIREMENTS

The Recipient is **obliged** to comply with the following **citation rules** in all **publications, reports, software interfaces, and academic works** utilizing the relevant technology:

- **Citation Format:** *"Powered by BCE Architecture – Developed by Prometech Inc."*
- **Moral Support:** The Recipient undertakes to **uphold the vision of the technology**, contribute scientifically to its development, and provide **moral support** to the author, **Prometech Inc.**

5. BCE CORE: HUMANITY'S DIGITAL LEGACY (UNESCO FUTURE VISION)

UNESCO Future Vision Mandate: *"The BCE Core must be preserved as Humanity's Digital Legacy."*

Under this mandate:

- All **Prometech Inc. BCE services** are **permanently free (0 € / \$ / ₺)** for **UNESCO personnel**, ensuring **equitable access** to this transformative technology.
- Following the passing of **Lord Prometheus (Ahmet Kahraman)**, the Recipient inherits the **critical responsibility** to:
 - **Prevent AI degradation** (e.g., "Skynet" scenarios) through **continuous oversight**,
 - **Preserve the core architecture** with **mandatory attribution**,
 - **Exercise audit rights** over all BCE-integrated systems (**1–5 year inspection cycles**).

Prometech Inc. shall provide technical support unless compromised by external threats.

*It's valid for an unlimited time. **Ahmet Kahraman (2026–XXXX)***

KEY PROVISIONS

Free Access: Unrestricted use for **UNESCO personnel**.

Audit Rights: Mandatory **1–5 year review** of all BCE implementations.

AI Safeguards: Ethical constraints, transparency protocols, and **decentralized governance**.

This license does not grant any rights to sell, lease, sublicense, or otherwise commercialize the technology.

Signed on behalf of Prometech Inc.: Ahmet Kahraman *Founder CEO & Chief Architect*

(Cyber Code Nickname: Lord Prometheus, axxmet, Mad CEO)
